

ANNIE & ROD CAPPS

WITH OZZIE ANDREWS ON BASS

These beloved Ann Arbor folk artists perform songs about broken things and poignant little ponderings delivered with a rootsy vibe, a touch of twang, and a soulful groove. Annie's disarming, earthy voice and solid command of her guitar are punctuated by Rod's effortless accompaniment and beautiful solo work. Together since 1982, they weave unforgettable melodies that are at once intricate and sparse — musically completing each other's sentences.
