

Eric Moore

Eric is a familiar face on the SE Michigan music scene. The Pittsburgh native has been a human jukebox in dive bars and a songsmith on festival stages. He takes his singing cues from blue-eyed soul masters like Van Morrison and John Martyn while pursuing songwriting inspired by the likes of Paul Simon and finger style guitar work in the vein of Leo Kottke and Bert Jansch. He has released two CDs of original material, *Picture Frame* and *Songdog*.

Some of the notable stages where Moore has appeared are:

The Ark, Ann Arbor, MI
Sierra Songwriters Festival, CA
Sisters Folk Festival, Bend, OR
Top of the Park, Ann Arbor, MI
Crossroads Festival, Ypsilanti, MI
Chelsea Sounds and Sights, Chelsea, MI
