Full Plan available on website and at the Center

- *The purpose of the Safe Return Plan and Procedure is to provide for the best practices, as suggested by the CDC and our local and state regulatory bodies during the Covid-19 Pandemic for gathering as a Faith Based Community.*
- *It is recognized that the Covid-19 Pandemic is an ever-changing situation and as such this plan is subject to revision in accordance with the guidance by state and local mandates.*
- *It is important that as a Spiritual Community we provide continued support for the well-being of our community members and cautiously move forward in opening to in person gatherings that meet our mission without risking health and safety. Thus, we take our responsibility for the care and well-being of our community seriously and respect the individual choices to decline participation in any aspect of our in-person gatherings. The Sunday Service will continue to be live streamed via Zoom, and presenters may opt to participate in the service in person or remotely through their zoom connection.*
- *This plan is presented by the Safe Return Team, consisting of Rev. Delyth Balmer, Paul Jurgensen, Steve Lyskawa and Erik Nowakowski. It is approved by the Board of Trustees.*
