**Katie** sings traditional and contemporary folk, country-folk, and folk-pop tunes. A deft interpreter of beloved songs, her captivating voice and velvety-smooth delivery bring new life to the compositions of writers such as John Prine, Buffy Sainte-Marie, Michael Nesmith, and Lennon and McCartney. Katie's CD release, *We Are Each Other 's Angels*, features an inspired roster of guest artists including Michael Johnson, Mary McCaslin, Don Henry, and Small Potatoes, and has received extensive airplay across the country and around the world. When not doing her own gigs, Katie has been known to "moonlight" singing harmony for folk-rock legend Melanie and local favorite Matt Watroba. In non-pandemic times, Katie sings weekly at retirement homes throughout Michigan and Ohio.
