SHORTENED VERSION DURING THE PANDEMIC

MINISTERIAL MISCELLANEOUS BY ANNIE KOPKO

Listening to youtube the other day I came upon a piece by Esther Hicks and Abraham about our self-talk, something I think we do all day long. Do we really understand how easy and destructive it can be to be negative. It is my habit when I wake up each morning and wonder how much my muscles will be aching. Soon I silently express the gratitude I feel for waking up and feeling quite good in this old body of mine. Ever since I went to Santa Fe, New Mexico to live, 42 years ago, and joined the Santa Fe Church of Religious Science, I have understood how important positive affirmations are to our state of mind and general feeling of well being. I believe all is well, no matter what the world looks like. Spirit is alive and well and living through us. We are making daily choices about how this will be.

In the piece on Youtube, Abraham took this awareness up another notch for me which I share with you (converted into "thank you's"):

Thank you for many new expansive ideas you bring me today.

Thank you for bringing me to places I love.

Thank you for helping me visit with others who love as I do.

Thank you for making me aware of my power.

Thank you for guiding me to thoughts in harmony with my core desires.

And: Thank you for sending me evidence of how this all works in delicious humorous ways for the goodness of all beings.

Check our website or your email for the way to get your tickets for a very special concert IN PERSON with Bob Sima and Shannon Plummer, August 5th, at 7PM entitled: "Where the Light Gets In".

Please note that Layla will no longer be sending out a weekly email listing all of our events. Everything will be on our website: interfaithspirit.org.

Have a very happy August, Blessings, *Annie*

A Conversation with the Guiding Intelligence of STARSEEDS

By Peggy River Singer

For many years, I've identified myself as a Lightworker; and I've wondered which of the dozens of other categories of "enlightened beings" I might fit into. Could I be an Indigo, a Crystal, a Walk-in, an Earth-Angel? Or something else, something more? I've been doing a lot of reading, and a lot of thinking about the patterns and events in my life.

On the morning of Monday, July 12, I stood at my Reiki altar and got ready to say my daily affirmations. ("Just for today, I will let go of worry and anger; do my work carefully; be grateful; honor my family and teachers; and be kind.") I had no idea this simple routine would lead to answers for some of the questions I had been wondering about!

"Today, I let go of worry and anger /// MY SENSE OF LOSS AND LONELINESS, YES I **AM** A STARSEED."

As I was catching my breath, THANK YOU echoed powerfully through my heart and could be felt throughout my body.

Clearly, it was time to go to the source and ask some questions...

Starseeder: *Ah, yes, here we go! Welcome! What a pleasure to meet you and have this opportunity!*

Peggy: Thank you, I'm excited about speaking with you! Is "Starseeder" the name you'd like me to use?

Starseeder: *Yes. It is descriptive, and much easier for you to understand and pronounce than my designation in my natural language would be.*

Peggy: Will you describe who you are, and what you do?

Starseeder: *Gladly. I am charged by Creator to coordinate and oversee the program by which souls from Earth and other planets can experience many different lifetimes in order to develop their capacities for serving The All.*

= = =

Peggy: When was this program begun?

Starseeder: *The "beginning" does not really exist, at least in terms of the linear time you are accustomed to. We work with "all timelines all the time", you see.*

Peggy: So do individual souls volunteer for this program, or is it offered to them?

Starseeder: *A combination of both concepts, I would say; along with other possibilities. Remember that souls are eternal, so they may join or leave the program as desired.*

Peggy: How many souls do you work with at a time?

Starseeder: *Beyond counting. And the souls who have participated previously and are no longer in the program, are beyond counting.*

Peggy: Can an individual soul choose lifetimes that are of particular interest to them?

Starseeder: *Yes, absolutely. Since we have all of eternity to work with, it is a simple matter for a soul to explore all the lifetimes and experiences that are desired. And the "list" of each soul can be added to and adjusted easily.*

Peggy: Do you, or Creator, insist on this or that experience for each soul, even if the soul does not want to do so?

Starseeder: *Here is an example of **human** reactions to likes and dislikes, obeying or disobeying, that is not applicable to this situation. Many of the souls in the program are not human. Plus, in the "pure soul" state, there is only Oneness, so the concept of disagreement is unknown.*

Peggy: Is it safe to assume that the souls you work with come from many different universes?

Starseeder: *Exactly! There are no limits of any kind.*

Peggy: Do you have any assistants to help you manage this massive project?

Starseeder: *There are those who consult, an exchange of ideas and camaraderie, yes. But since I/we exist in an eternal state, we are well able to handle our responsibilities effortlessly.*

Peggy: Do you all have friends and loved ones, in the human sense?

Starseeder: *I would describe it as the camaraderie of united purpose. We do not have the variety closeness among us, as humans do. For example, you have acquaintances, friends, the state of eternity, these gradations are unnecessary.*

Peggy: I expect that most people are a combination of different varieties of Starseeds, being "only" a Crystal, for example.

Starseeder: *This is correct, as you are discovering in your own case.*

Peggy: It seems like my gifts and skills are blossoming faster and faster; I never know what each day

Starseeder: *That is to be expected, since you are reaching the level of spiritual mastery and openness acceptance that allows these attributes to flourish. You are part of the great flowering of spiritual growth on your Earth, along with millions -- yes, millions -- of others...*

Peggy: I can FEEL them!!!

Starseeder: *Good. Let that sense of oneness guide you in your day-to-day life, as well as during your you work and LEARN on other levels.*

Peggy: Will you please confirm whether I am a Walk-in?

Starseeder: *I anticipated this question. Since you have already done the work, I shall confirm your Knowing that you are a Walk-in. The "hosting" soul was about the age of eight years and was consuming part of a bottle of baby aspirin. This completed the experience that soul desired; as she departed that physical form, your soul moved in so that you could begin the experience you desired i that setting. All the souls involved -- including family and friends -- agreed to this arrangement.*

Peggy: Thank you. Would you like to add anything else at this time?

Starseeder: *No, the discussion is complete.*
