“Just BeCause”

Julie Beutel, Bob O’Brien & Charles Green

Saturday, May 10, 2025 at 7pm

We are reeling, trying not to worry, scream, or flee the country. One of the best responses to these times is to come together with like-minded good people and sing!

Not all of our songs are "sing-alongs". Some of them expose the wrongs. But we'll weave together the hard truths with *hope and joy and gratitude*. And hope you do join us in singing the ones you can. Dancing is also encouraged. We're adding some extra Spanish songs to this concert.

"Just BeCause" is a collaboration of Julie Beutel (vocals, guitar, percussion), Bob O'Brien (guitar, vocals) and Charles Green (percussion).
